

LICENSE INFORMATION

The Programs listed below are licensed under the following License Information terms and conditions in addition to the Program license terms previously agreed to by Client and HCL. If Client does not have previously agreed to license terms in effect for the Program, the HCL Master License Agreement applies.

Program Name (Program Number):

HCL Financial Management Add-On 11.0 (5725-D24)

HCL Financial Management Add-On for Non-Production Environments 11.1 (5725-D24)

The following standard terms apply to Licensee's use of the Program.

Limited use right

As described in the HCL Master License Agreement and this License Information, HCL grants Licensee a limited right to use the Program. This right is limited to the level of Authorized Use, such as a Processor Value Unit ("PVU"), a Resource Value Unit ("RVU"), a Value Unit ("VU"), or other specified level of use, paid for by Licensee as evidenced in the Proof of Entitlement. Licensee's use may also be limited to a specified machine, or only as a Supporting Program, or subject to other restrictions. As Licensee has not paid for all of the economic value of the Program, no other use is permitted without the payment of additional fees. In addition, Licensee is not authorized to use the Program to provide commercial IT services to any third party, to provide commercial hosting or timesharing, or to sublicense, rent, or lease the Program unless expressly provided for in the applicable agreements under which Licensee obtains authorizations to use the Program. Additional rights may be available to Licensee subject to the payment of additional fees or under different or supplementary terms. HCL reserves the right to determine whether to make such additional rights available to Licensee.

Prohibited Uses

Licensee may not use or authorize others to use the Program, alone or in combination with other services or products, in support of any of the following high risk activities: design, construction, control, or maintenance of nuclear facilities, mass transit systems, air traffic control systems, automotive control systems, weapons systems, or aircraft navigation or communications, or any other activity where program failure could give rise to a material threat of death or serious personal injury.

Limited Use Program

This Program is supplied only for use with Named Program(s) and/or Service(s) identified below or their successors. Licensee is prohibited from using this Program in connection with any other software or service.

Named Program(s) and/or Service(s):

HCL Marketing Operations 11.1

HCL Marketing Operations for Non-Production Environments 11.1

Non-Production Limitation

If the Program is designated as "Non-Production", the Program can only be deployed as part of the Licensee's internal development and test environment for internal non-production activities, including but not limited to testing, performance tuning, fault diagnosis, internal benchmarking, staging, quality assurance activity and/or developing internally used additions or extensions to the Program using published application programming interfaces. Licensee is not authorized to use any part of the Program for any other purposes without acquiring the appropriate production entitlements.

The following units of measure may apply to Licensee's use of the Program.

Install

Install is a unit of measure by which the Program can be licensed. An Install is an installed copy of the Program on a physical or virtual disk made available to be executed on a computer. Licensee must obtain an entitlement for each Install of the Program.

In addition to the above, the following terms apply to Licensee's use of the Program.

1. Use Restrictions

Licensee may not use the Program with a Named Program designated as Non-Production.

Licensees Authorized Users of HCL Marketing Operations Limited Use may not access the Administration area of the Program.

Licensees Reviewer/Requester users of HCL Marketing Operations may not access the Program.
