

## LICENSE INFORMATION

Program Name:

HCL Workload Automation plug-in

The following standard terms apply to Licensee's use of the Program.

Limited use right

As described in the HCL Master License Agreement (the "MLA") and this License Information document, HCL grants Licensee a limited right to use the Program. Licensee is not authorized to use the Program to provide commercial IT services to any third party, to provide commercial hosting or timesharing, or to sublicense, rent, or lease the Program unless expressly provided for in the applicable agreements under which Licensee obtains authorizations to use the Program.

Prohibited Uses

Licensee may not use or authorize others to use the Program if failure of the Program could lead to death, bodily injury, or property or environmental damage.

In addition to the above, the following terms apply to Licensee's use of the Program.

In addition to the entitlements required for the Program, Licensee must also obtain entitlement to at least one of the following offerings: HCL Workload Automation and HCL Workload Automation for z/OS
